Swimming, Chess, Hiking, Travelling, Reading

EXPERIENCE

SIMPLSO IT SOLUTIONS | Full stack Web Developer
Dec 2022 - March 2023 | Ahmedabad, GJ
- Developed and maintained high-quality, user-friendly web applications using React and Next.js frameworks
- Collaborated effectively with cross-functional teams, including designers, and product managers, to translate project requirements into web solutions
- Conducted thorough code reviews and testing, ensuring high-quality code and adherence to best practices, resulting in fewer bugs and increased stability
- Continuously enhanced technical skills through professional development, staying up-to-date with the latest industry trends and emerging technologies
- Successfully improved the loading speed of websites for clients, resulting in increased sales

ACADEMIX | Full stack Web Developer
Jan 2022 - Nov 2022 | Ahmedabad, GJ

- Managed a team of 3 developers, ensuring all projects were completed on time.
- Worked with team to develop frontend features using ReactJS and implemented backend using Node and ExpressJS.
- Successfully integrated Google Analytics and other tools to monitor website traffic and user behavior, resulting in a 10% increase in web traffic.
- Created multiple automated tools used by the team, saving an average of 10 hours per week.

CULTUREX | Full stack Web Developer | Internship
Oct 2021 - Jan 2022 | Ahmedabad, GJ
- Implemented 2-week sprint cycles which improved team productivity by 15%.
- Successfully trained resources on web development best practices, resulting in increased efficiency and productivity.
- Developed front-end web pages using HTML, CSS, and ReactJS that received positive feedback from users for being user-friendly and appealing.

PEORE | Front End Web Developer | Internship
Jul 2021 - Oct 2021 | Remote
- Developed an e-commerce website on Shopify which increased sales by 30%.
- Worked with the team to create custom theme according to their specifications which resulted in an increase of customer satisfaction by 35%.

LATEST PROJECT

BOLT NUTRITIONS | E-commerce Website
Jan 2023 - March 2023 | Visit Website
- Developed a visually appealing and high-performance e-commerce website for Bolt Nutritions, a fitness supplement brand, by transforming provided designs into a seamless UI. Implemented optimizations to enhance UI and improve overall store speed, decreasing increased customer satisfaction and sales.

AWARDS

| 2021 | 1st | Adani Renewables Techfest Industrial Project Competition |
